

Plato for CFO: Strategic Financial Management

Voka Vlaams-Brabant launches a new **Plato development track for CFO's**. We bring together a small group of maximum 15 CFO's from international companies or from medium to large Belgian companies.

Participants get the opportunity to **meet (and get to know) their peers and discuss in an open and safe environment topics and challenges** that will have a big impact the next coming years, such as:

- Leadership, from a Finance perspective
- Attracting & retaining financial talent
- Financing projects (cfr. New legislation, allowing to pledge moveable property)
- Finance as a true business partner
- Digitalization in Finance
- Designing a sound M&A strategy
- Data & Analytics
- Intelligent automation: Robotics & AI
- Risk & Fraud Management

This Plato development track will bring you new insights, and it will allow you to share your challenges with fellow participants, obtaining new ideas & fresh perspectives. **Excellent guest speakers** will be selected, sharing their expertise & best in class practices.

Methodology

- **Monthly sessions** will take place, topic & speaker will be announced in advance.
- Three coaches will actively assist the sessions, besides bringing their own expertise, they will introduce each session and facilitate the group discussions.
- In between sessions, participants are encouraged to contact each other, and participants can contact one of the coaches at all times with questions or concerns.
- Guest speakers will bring their expertise & facilitate the discussion. You will get an update on the latest trends, technologies, methodologies, etc. and you will get the opportunity to discuss these among your peers.

When & where

Kick-off: **Monday March 26th from 1.30 until 10 pm.**

- All sessions are scheduled between March 2018 and March 2019 (no sessions during summer holidays).
- The Plato CFO group will have a **fixed** group of 12 to 15 participants.
- Sessions will be hosted at the premise of the participants (preferably) or @ Voka, Medialaan 26, 1800 Vilvoorde or Tiensevest 170 - 3000 Leuven (optional).
- This development track will be organized in close collaboration with **KPMG**
